

Service Manual

CDR770/N1B/N6B
/T1B/T6B

Professional CD Recorder

CDR770

REMARK : This service manual explains the differences between the Philips CDR770 and the Marantz CDR770 Professional CD Recorder .
All other information is described in the service manual of the Philips CDR770/00 (Code number : **3104 125 40020**). The second line service manual is available under number 3104 125 40110. The dispatch of the parts for after sales service has to be referred to these service manuals, with the first priority.
For this reason, please use these service manuals with referring to the model Marantz CDR770/N1B service manual without fail.

The Marantz CDR770 is equal to the Philips CDR770 except the following changes:

- Professional CDR Recorder
- SCMS free input
- Compatible with audio and Data CDR Discs
- 19" Rack mounting
- Advanced Power calibration

Changes is the service manuals:

Philips CDR770 1st line service manual

Description	Marantz CDR770	Philips CDR770	Page
DFU	1)	3104 125 22810	56
Remote control	3104 125 23840	3139 228 82010	56

1) Available as pdf file via Marantz Professional.

Philips CDR770 2nd line service manual:
