⚠ WARNING

This service information is designed for experienced repair technicians only and is not designed for use by the general public. It does not contain warnings or cautions to advise non-technical individuals of potential dangers in attempting to service a product. Products powered by electricity should be serviced or repaired only by experienced professional technicians. Any attempt to service or repair the product or products dealt with in this service information by anyone else could result in serious injury or death.

1 Note	1	2 Replacement Parts List	2

1 Note

- This simplified service manual is provided to indicate the differences between the original model No. SL-J910SG-A and the subsequent model No. SL-J910EB-A, SL-J910EG-A, SL-J910GH-A and SL-J910GK-A.

2 Replacement Parts List

Note:

- Important safety notice:

Components identified by  mark have special characteristics important for safety.

Furthermore, special parts which have purposes of fire-

retardant (resistors), high-quality sound (capacitors), low-noise (resistors), etc. are used.

When replacing any of components, be sure to use only manufacture's specified parts shown in the parts list.

- All parts are supplied by MESA.
